

Children's Wilderness Survival Program

Sundays this fall (See schedule for specific dates)

9:00am-4:00pm

Ages 7-12

What is it?

- A wilderness skills program geared especially towards kids that will promote leadership, situational awareness and a healthy respect for nature. Every Sunday will feature hiking, a pack check, plant identification (edible, medicinal and useful), and discussion on how to make safe and smart choices in the outdoors (what to wear, what to eat, and other important basics.) In addition, they will learn a variety of life-saving and fun skills such as how to start a fire under various conditions and using various methods, how to locate water, how to safely and efficiently use a knife to make wooden tools, how to navigate with a compass and so much more.
- We will also enjoy fun and creative outdoor games.
- The program will take place 2-3 Sundays per month.

Where is it?
